**STATEMENT REGARDING RESUBMISSION OF APPLICATION PAPERS
RETURNED DUE TO POST OFFICE DECONTAMINATION PROCEDURES**

Dear Sir:

The enclosed papers are duplicates of correspondence mailed to the USPTO with certificate of mailing under 37 CFR 1.8 on December 10, 2001. The original return receipt post card mailed November 8, 2001 is submitted herewith.

These papers were returned to the sender by the US Postal Service, and apparently were not received by the USPTO. It is believed the Postal Service decontamination procedures made the thermal paper address label unreadable, and embrittled and/or cracked open the envelope holding the correspondence.

The USPTO is respectfully requested to accord this duplicate correspondence the date indicated on the certificate of mailing, and act on the correspondence as appropriate.

Respectfully submitted,

Gerry S. Gressel
